Traveling Energy Exploration Station Loan Agreement

By signing this Loan Agreement I understand that the Traveling Energy Exploration Station must be returned within two weeks from the date it arrived at the school. I also understand that the contents of the box must be returned to Watt Watchers in the same condition that it was loaned to the school. If the Traveling Energy Explorations Station is returned with broken or missing articles the school will be responsible for the cost of replacing the item.

Teaching Aides

Educator's Guide – instructions on how to use the station and its components
Traveling Energy Exploration Station CD-ROM
Set of Posters
