

## **Watt Watchers of Texas** - *Saving Energy in Texas Schools...*

Monthly Email Update *~a supplement of the Watts News Quarterly Newspaper*

\*\*\*\*\*

### **K-2 Activity Booklet featuring “The King with a Terrible Temper”**

Watt Watchers is soon to present to our audience a new activity booklet featuring an old story brought to life with a new meaning. “The King with a Terrible Temper” is a story about a King that has 3 sons that are very wasteful with energy. A princess comes to visit and teaches the princes ways to save energy but they still don't change their ways so she runs off to spread her energy awareness message with their dragon (producer of energy for the castle). This booklet will be available to all Texas schools. Limited quantities of printed copies will be available; the booklet can be downloaded from our website and CD-Rom.

### **New Watt Watchers of Texas CD Soon to be available**

The requests have been received and Watt Watchers is producing a new CD-ROM with all the up – to – date program materials. For a copy of the new CD-Rom check your Spring 2005 Watts News newspaper for an order form.

### **Update your enrollment information**

Have you moved schools? Has your email address changed? Watt Watchers of Texas wants to have the most accurate information possible about its sponsors. If you have not updated your information this year please check with us to make sure we have accurate contact information for you. Email us at [info@wattwatchers.org](mailto:info@wattwatchers.org) or call 1-888-USWATTS to update your enrollment information.

### **Spring 2005 Issue of Watts News out in April**

Teachers check your mailbox daily the Spring 2005 issue of Watts News will be out in early April. This issue includes Information about Earth Day Events around the state, Celebrating your Watt Watchers Success by giving out awards to students, teachers and even some really special Watt Watchers sponsors!!

### **Energy Education in Texas Workshops**

WW will be hosting EE in TX teacher workshops in three ESC's this summer. If you have a burning desire to learn more about the WW program and introduce all of our programs to other teachers in your area, let us know. We have not chosen the three areas yet and your response will allow us to tailor our classes to your needs."

*Attention Region 1 Teachers: Watt Watchers of Texas will be presenting this workshop in your region on May 3<sup>rd</sup> and 4<sup>th</sup>. Please contact Watt Watchers of Texas at 1-888-WATTEAM for more information!*

*Attention Region 17 Teachers: Watt Watchers of Texas will be presenting this workshop in your region on July 11<sup>th</sup>. Please contact Watt Watchers of Texas at 1-888-WATTEAM for more information!*

### **Energy Encounters**

WW will be hosting three Energy Encounters for high school students this summer. If you are interested in having one in your area, please let us know. We will do almost all the work, we just need a place and a point of contact to make sure the air conditioning is on."
