

## **Watt Watchers of Texas** - *Saving Energy in Texas Schools...*

**Monthly Email Update May 2005** ~a supplement of the *Watts News Quarterly Newspaper*

### **Collin County Solar Car Workshop – JSS**

Watt Watchers of Texas is very excited about bringing the “Junior Solar Sprint-How to Build” workshop to Collin County this summer! Watt Watchers has teamed up with Solar Wind Technologies, Allen I.S.D. and Allen Parks and Recreation to teach teachers how to build and race a model solar cars. Teachers attend this workshop and make & take your own JSS car (kit valued at \$40) and get involved in the 1<sup>st</sup> Annual Collin County JSS Race.

Date: Wed. June 22, 2005

Time: 9:00-3:00

To Register: Contact Watt Watchers of Texas at 1-888-928-8326 or email [info@wattwatchers.org](mailto:info@wattwatchers.org)

### **Energy Education in Texas Workshops**

Watt Watchers of Texas will be presenting the Energy Education in Texas Regional Education Service Centers around the state. This workshop will give you and in-depth tour of the Watt Watchers of Texas program as well as share with you some other great energy programs offered to Texas schools. If you are in one of the regions below please contact them to register for the workshop. If your region is not listed and you are interested in hosting a workshop for your district science teachers please contact Watt Watchers at 1-888-USWATTS or 1-888-WATTEAM

Upcoming Workshops:

Region 10 – June 24th

Region 15 – July 29<sup>th</sup>

Region 17 – July 11th

### **Energy Encounters**

Are you interested in hosting and Energy Encounter for your district? Watt Watchers is looking for High Schools in the Houston and Austin area to host the upcoming Energy Encounters. Your responsibility is minimal and rewarding to your program. Please contact Watt Watchers of Texas at 1-888-USWATTS or 1-888-WATTEAM to receive more information about this great opportunity.

Dallas Area Energy Encounter – August 20, 2005 - Creekview High School in Carrollton Farmers Branch ISD. Contact Watt Watchers at 1-888-928-8326 for more information.

### **Attention Energy Managers:**

Your issue of Watts News is coming soon – The summer issue of the Watt’s News quarterly newspaper is directed to Texas School Energy Managers and we

need to know what you are interested in. If there is something that you need help with or more information on, please let us know so that we can research the topic and share the information with other Energy Managers in the state.

Also, if you have information to share with other Energy Managers we would like to publish that for you. Share your knowledge!
